Area 20 Workforce Development Region  
Hocking - Fairfield - Pickaway - Ross - Vinton

Area 20/21 is divided into 3 One-Stop systems, 2 are single-county and 1 is comprised of three counties (South Central Ohio Job and Family Services covers Hocking, Ross, and Vinton counties). Monitoring is done with a One-Stop *system* approach, and each county's on-site visit will take one or two work days, depending on the needs of the county. The three counties for South Central Ohio JFS can be completed in one visit to the Ross County OMJ Center. Detailed monitoring reports must be provided to Area 20/21 within ten (10) business days of each system's visit. Sample reports will be provided to the monitor(s) during training.

Proposers should outline any travel costs that will be incorporated into the overall price. Travel will be paid as part of the overall contract and not reimbursed separately.
